Transferring Funds Between Accounts

Select **Transfers** from the drop-down menu to the right of the account, or click the Transfers tab on the Menu Bar.

Select an account from the **Add Transfer From** drop-down menu on the right.

Select an account to Transfer funds to, as well as an amount and transfer frequency.

If you are transferring to a Checking or Savings account, no Payment Options will be available. If you are transferring to a loan, choose how the payment should be applied.

*loan transfers to principal or interest only will not advance the payment date

Click Submit when you are ready to complete the funds transfer.

A confirmation screen to complete the transfer will display. After confirmation, you will get a confirmation number, retain this for your records.

Online Banking Options

Select the **Options** tab from the Menu Bar.

Personal Options

Change your Password

Add or Change your Personal ID

* A Personal ID is an ID to use instead of your 12-digit ID, and can contain letters and numbers, the 12-digit ID will still work if the Personal ID is ever forgotten.

Update your e-mail address

Establish your Personal Question & Answer

(*Dart Bank currently does not offer this feature)

Account Options

Account Pseudo Names (nicknames)

*for security reasons, please do not make the pseudo name your account number

Account Display Order
